AUCKLAND CITY MISSION FOOD APPEAL

So please keep your regular donations coming in as the demand for food parcels is always increasing and the ACM needs all the support we can give.

Some of the non-perishable items that you could possibly donate are Cans of fruit, vegetables, corn, tomatoes, spaghetti, baked beans, soup, creamed rice, fish or corned meat

- **Cereals, rice, pasta, noodles, peanut butter, jam or honey**

We were very delighted to receive the news on Tuesday that we have been given \$20,000 by Auckland City from its Auckland City Regional Heritage Grant.

We understand that this is the maximum sum which they give.

In fact there were 25 applications requesting a total of \$ 383,933 from a funding pool of \$82,000. This gives an idea of how well we were received and provided for! We are enormously grateful-and delighted.

The fact that we have now received six grants out of the six we have applied for is an exceptionally good strike rate and indicates that we have a project considered well worth supporting.. Funds are not easily obtained and applications are very carefully scrutinised as they should be. We seem to be getting it right!
